The request should include a policy statement that addresses the concerns listed above. The policy must include third party inspection, verification of costs, and overall project certification by an architect or project estimator. Documentation of appropriate licenses, environmental certifications, and required insurance must also be included in the request. RE: Part-Time Clerk for WWTP

Dear Mayor and Board of Trustees,

The Wastewater Treatment Department has had a part-time clerk, Sandra Howland, since April 2018. The responsibilities include, but not limited to, paying bills using Village software, invoicing specific customers, data entry related to our NYS DEC permits as well as other associated tasks. The part-time clerk works 4 hours per day, 2-3 days per week depending upon workload.

I am writing this letter to request that Sandra Howland be given a wage increase. Mrs. Howland's last raise came in June 2020. She has continued to do a good job for our Department. Therefore, I am asking that the Village increase Mrs. Howland's wage by \$0.75 from \$14.50 to \$15.25 per hour effective June 1, 2023. If the Board approves the pay raise it would be less than \$500 in additional wage costs to our Department. This seems fair and appropriate in comparison to other similarly related jobs in our area.

If you have any questions, please let me know.

Sincerely,
Philip Grayson
Chief Operator, Wastewater
