

Our collective mission is to protect the health, safety and welfare of the citizens by enforcing solid waste codes. The street department works with the community and public agencies to preserve the standards for a clean and safe environment.

Through fair and thorough enforcement of the solid waste code we help facilitate an attractive, clean and aesthetically pleasing Village.

*Let's keep the Village  
clean*

Please do not allow refuse, garbage, lawn waste, or debris to accumulate on your property

## Refuse & Recycling

1009 East Main Street  
Endicott, NY
